

CMUK Artwork Guidelines

Please read all BEFORE submitting artwork

Artwork Requirements

- Background: Artwork **MUST** have a transparent background, unless a printed background is intentional. Any alterations made by CMUK may incur an additional fee or result in artwork rejection. If you are having trouble providing this, please head over to the design studio where help is available.
- Accepted File Formats: PNG, PSD, SVG
- Not Accepted: JPEG/JPG, PDF, Word, PowerPoint, screenshots, or Canva links/files
- Text Size: Artwork containing text 12pt or smaller will not be accepted.
- Resolution: Minimum 300 DPI at final print size

Important Notes:

- CustomiseMe UK prints using CMYK colour mode. Artwork supplied in RGB or other colour modes may produce colour variations in the final print.
- Artwork containing profane, offensive, or inappropriate language may be rejected.
- Customers are responsible for reviewing and approving their artwork before submission. CMUK is not liable for errors in customer-supplied files.
- Failure to follow these guidelines may result in print defects, for which CMUK will not be held responsible.
- By submitting artwork, the customer confirms they have the legal right to use all images, fonts, and content provided.
- No refunds, reprints, or replacements will be issued for errors resulting from customer-supplied artwork or failure to follow these guidelines.
